## Next Tournament

---

Our next tournament will be February 19th and it will take place at Buena Vista Golf Course and the format is 2-man chapman, Next weeks blog will explain the different formats, for those not familiar with some of the formats of coming up in the Men's Club.

We encourage non-members to join the men's club; it takes place the third Sunday of every month and is a fun and competitive environment for your recreational golfer.

One of the major reasons to join, even if you do not want to play in the tournaments, is you get a GHIN membership, so you can track your scores and build an official handicap.

GHIN is the acronym for Golf Handicap and Information Network. It's a service established by the United States Golf Association to provide handicaps for players at certain golf clubs and associations. A golf handicap is a numerical measurement of a golfer's ability

Hope to see you on the first tee.
